Positioned for possibility and brimming with potential, this structurally completed 3-bed, 2 bath residence on a 70-by-110-foot lot presents a rare opportunity to craft your dream home exactly to your specifications. The exterior construction is already in place – including the roof, walls, windows, and all exterior doors – offering a substantial head start for buyers seeking to personalize their living space without starting from scratch. The interior floor tiles, walls, and ceilings have been completed, and plumbing and electrical roughing and conduits are all in place. Other noteworthy features include a spacious two-car garage, a Propane Generator, tie-ins for an above-ground water tank, a septic tank, a poured concrete driveway, mature native trees, and space for a garden.
