Seneme is a luxurious, custom-built residence on Harbour Island, featuring four bedrooms and four bathrooms. Completed in 2017, it spans three stories and offers panoramic views of the Atlantic Ocean and the Bay. The home is fully furnished with elegant island chic decor, including cypress ceilings, coral stone countertops, and acacia wood flooring. The interior design blends rustic charm with sophisticated flair, capturing the essence of Harbour Island's natural beauty. Seneme's outdoor experience includes a 1,500 sqft covered deck, landscaped garden, large pool, fire pit, and grill and bar area. Built with white concrete, Seneme is designed for durability and practicality. It features a desalinisation water system, a 26,000-gallon cistern, versatex PVC material, stainless steel hardware,...read more on our website.
