This custom-built 3-bedroom, 2.5-bathroom house is set on 1 1/2 lots with 120 ft of beachfront and 178 ft of depth. It consists of 3,206 sq. ft. under roof, including a 900 sq. ft. garage and 1,980 sq. ft. of air-conditioned space. The kitchen has custom-built cabinets and granite countertops, and the house is fully insulated, including all the interior walls for soundproofing. The cistern holds 12,700 gallons of water. Greenwood Beach is a 7-mile-long pink sand beach and is one of the best-kept secrets of the Bahamas. Cat Island has the highest hills, spectacular reefs and bird-life, blue holes, several boutique hotels and restaurants....read more on our website.
