Set on the tranquil east end of Russell Island, this exceptional 16 acre parcel presents a rare opportunity to shape a premier waterfront destination in one of The Bahamas's™ fastest growing coastal enclaves. With more than 2,000 feet of total water frontage, including 1,300 feet of naturally protected harbour shoreline, the property offers an extraordinary opportunity for development. Ideally positioned just 40 miles from Nassau and only 7 miles from North Eleuthera International Airport, the location provides convenient access for international travelers while retaining the quiet charm and authenticity that define the Spanish Wells area...read more on our website.
