A rare opportunity to acquire 220 acres of prime oceanfront land in Long Island, Bahamas. Ideally a 15-minute drive from Deadmanâ€™s Cay Airport and a 40-minute drive from Stella Maris Airport, this expansive property offers scale, accessibility, and exceptional development potential in one of the countryâ€™s most unspoiled destinations. The site features a beautiful, protected beach within a natural cove, complemented by an offshore reef for added protection and elevated topography rising to approximately 80 feet, providing panoramic ocean views and cooling trade winds. With about 1300 feet of beach frontage, the property offers a unique combination of sandy beach, dramatic shoreline, and elevated ridge-lines. With utilities available and no development restrictions, the land is well-suit...read more on our website.
