Enjoy breathtaking 360-degree views from this one-of-a-kind oceanfront property overlooking Elizabeth Harbour and Stocking Island on February Point Exuma. Spanning across 18,981 sq. ft. of pristine, elevated acreage, this corner lot is primed for creating and customizing your very own tropical escapeâ€”be it a serene family oasis or a peaceful retirement spotâ€”right in the heart of one of the most spectacular places on earth, the Exumas. With endless views of crystal blue waters, this ideally situated residential lot will also include a dock slip in the pond marina once the marina is completed. February Point is also the perfect place for investors in search of income-producing properties as the short-term rental market at February Point is among the most active in the Exumas. Although th...read more on our website.
