Located on Cottonwood Street in the well-established Pinewood Gardens community, this incomplete residential structure presents an excellent opportunity for a buyer looking to customize their home or investment property from the ground up. The structure is built up to belt height, with plumbing lines already in place, providing a strong head start on construction. The property comes with approved building plans for a spacious two-bedroom, two-bathroom residence, with the option to easily convert the layout to a two-bedroom, three-bathroom home if desired. The building measures approximately 1,920 sq. ft., situated on a 5,000 sq. ft. lot, allowing for generous living spaces and potential outdoor areas. The surrounding neighborhood features well-maintained homes, and notably, this street doe...read more on our website.
