100 acres of pristine land and waterways, perfect for someone who is looking for a private estate with minimal interference with the natural beauty of the creek. There are a number of areas along the shoreline where houses can be built with amazing views of the Azure Bahamian Sea. This location will give you the ultimate privacy of a private Island with 360-degree views ranging from the sparkling open waters to the pristine beach to a protected turquoise creek on the backside of the property. Pigeon Cay is a successful beachfront development with utilities pulled to the last house in the development. These utilities can be brought down into the property at the buyer's expense, which allows private island-style living without the hassles. The peninsula has never been marketed before and is ...read more on our website.
