West of Village Road, on a cul-de-sac, sits this open zoned property perfect for an Investor looking to establish a business or residential investment property. Approx. 400 feet south of the prestigious Queen's College, this property offers an exceptional land opportunity in one of Nassau's most established and highly sought-after residential corridors. Parcel 3A offers a generous 7,928 square feet of vacant land, providing ample space for residential development, a luxury private residence, or a well-positioned commercial or investment build. Parcel 3B is a private access road for this property. (See approved plan) With a private driveway, this property can provide a boutique, garden like feel, tucked away in a tropical background. Call agent to arrange to view and buy it now. This one wo...read more on our website.
