

E 3 HAWKS NEST, McQueens, Cat Island

Fully energy independent as the entire energy source is supplied by solar battery power installed...

Fully energy independent as the entire energy source is supplied by solar battery power installed in 2025, this single family home is the largest residence in the clandestine, friendly and welcoming Hawk's Nest Resort & Marina community. It is a part of the 6-house cul-de-sac setting that is within walking distance from the private airstrip, the marina and the resort with the lovely restaurant, bar and the pool. Private yet not completely isolated! Perfect for the family or as an investment opportunity with income appx \$60k. Most conveniences of organized living. The house is slightly under 4,000SF and is offered professionally decorated and furnished with Century Furniture furnishings. Easily sleeps 14 people with 6 Queen-size beds and 2 Full-size beds on 3 floors. Separate entrance to ...read more on our website.
