On the southeastern point of Port New Providence – a gated canal community that has quietly become one of the most tightly held addresses in The Bahamas – a new residence emerges to claim what is arguably the point's most enviable position. Villa La Pointe is not just a house completed; it is a house placed, and placement, at this level, is everything. Freshly finished in 2025, the residence unfolds across 3,733 square feet of considered contemporary living. From the moment one crosses the threshold, the intent is unmistakable: gleaming porcelain floors extend through open, light-filled entertaining spaces, drawing the eye toward a kitchen anchored by a magnificent waterfall island of veined marble, complete with pot filler, walk-in pantry, and custom millwork finished to the standards...read more on our website.
