Prime oceanfront lot in Pleasant Harbour, North Andros, home to world-class bonefishing. Offering 100±TM of private beachfront on ~0.57 acres, this undeveloped parcel provides direct access to clear turquoise waters in a peaceful, low-density setting. Ideally located just minutes from the barrier reef, blue holes, saltwater caves, and renowned fishing flats, it sits within Andros'sTM untouched natural landscape. Perfect for a private villa, family retreat, or boutique resort with strong upside for curated fishing, culinary, or experiential offerings. Notable improvements include a professionally engineered underground seawall for long-term erosion protection and reduced coastal maintenance, along with a rare on-site freshwater well for added self-sufficiency. Private road access and proximity...read more on our website.
