Located on the southernmost point of San Salvador, this exceptional waterfront lot offers magnificent elevated ocean views with elevations beginning approximately 40 feet above sea level and gently sloping toward the shore. The property features about 100 feet of direct shoreline, primarily rocky with sections of sand, and at low tide a scenic coastal walk leads to Sandy Point Beach—one of the island's most desirable stretches of coastline. Ideal for a private retreat or vacation rental, the peaceful south Sandy Point neighborhood is defined by low density and predominantly second-home ownership, appealing to buyers seeking privacy and serenity. Island power is available, with rainwater cistern and septic required. San Salvador is renowned for pristine beaches, crystal-clear waters, wo...read more on our website.
