

Prime Lot in Gated Beachfront Gardens of Discovery | Lot 45

An extraordinary opportunity to secure a prime property within the exclusive, gated beachfront...

An extraordinary opportunity to secure a prime property within the exclusive, gated beachfront community of Gardens of Discovery. Spanning 9,250 square feet, Lot 45 offers the ideal canvas to design and build a custom luxury coastal residence with direct, effortless access to miles of pristine white-sand beach and turquoise Bahamian waters.

This private, high-and-dry parcel benefits from the security, peace of mind, and prestige of a gated residential enclave. Whether your vision includes a sprawling coastal estate with a private pool or a tranquil island retreat, this generous lot provides ample footprint and ready utility access at the road for seamless development.

Enjoy the very best of coastal living where ocean breezes, stunning sunrises, and serene beach walks are p...read more on our website.
