Timeless elegance and the character of a grand estate meet Bahamian living, with generous roof overhangs, outdoor porches, a pool, and direct beach access.

Set on approximately 5.7 acres, the property includes a spacious residence and guest apartment. Land alone is estimated at around $4 million. Tourist commercial zoning, together with separately available adjoining lots, creates significant potential for a boutique hotel, additional guest accommodations, a signature restaurant, and possible dockage, subject to the necessary approvals.
