

Bell Channel Bay Multifamily High-Rise Lot

This vacant multifamily high-rise lot is ideally located in Bell Channel Bay on Jolly Roger Drive,...

This vacant multifamily high-rise lot is ideally located in Bell Channel Bay on Jolly Roger Drive, near Taino Beach. Offering 108 feet of canal frontage, the property provides direct waterfront access and an excellent opportunity for residential development.

With its desirable canal-front location and multifamily high-rise zoning, this property is well suited for a developer looking to create a multi-unit residential project in a convenient and established area of Freeport.
