51 is a beautiful Camellia Design home built in 2007 on three floors with 3-4 bedrooms, 4Â½ bathrooms, partially shaded verandas on every level and a garage. There is a generous 3,048 sq. ft. of air-conditioned space and a total area, including decks, verandas and garage of 5,004 sq. ft. The interior of this executive home is of a very high standard with a fully-fitted kitchen with granite worktops and luxury appliances to provide an immaculate area for the enthusiastic chef. Stylish and spacious living on three floors, this Grand Bahama home has hardwood and marble floors throughout and comes fully furnished and ready to move in. Practically all of the furniture is from the south of the islandâ€™s famous Lexington â€œTommy Bahamaâ€• range and is in â€œas newâ€• condition. Perfect for a...read more on our website.
