A rare opportunity in paradise. Set along the pristine shores of Love Beach in Forbes Hill, Little Exuma, Papaya House occupies a coveted stretch of coastline where beachfront homes seldom come to market. With approximately 124 ft of powdery white sand beachfront, this 4-bedroom, 3.5-bathroom, two-storey retreat sits on a 17,757 sq. ft. lot overlooking Exumaâ€™s turquoise waters. Built with concrete-core construction and roll-down hurricane shutters, the home features spacious living areas, renovated bathrooms, an upper-level oceanview balcony, and covered...read more on our website.
