North Star is a traditional Abaco beach house constructed by renowned local builder Floyd Albury. The home's exposed beams, open floor plan, and panoramic views evoke the ambiance of an expertly crafted wooden ship, for which the Albury family is famed. This one-of-a-kind home sits on a ½-acre lot and is graced with over 100 feet of shoreline, stunning tropical landscaping, and ample opportunities for further construction. The exterior of the home is natural western red cedar, while the interior walls and ceilings are pickled spruce, and floors are tiled with terra cotta. Two identical bedrooms with en-suite bathrooms are located in opposite wings of the 1,100-sq. ft. home. The southern bedroom has its own entrance and is separated from the main house by a breezeway offering enhanced pr...read more on our website.
