

Single Family Home in Alligator Bay

Single Family Home in Long Island

This 2 bedroom 2 bath home offers fantastic views of the Caribbean Sea! It is very well constructed with hardy board, cypress, teak and pressure treated plywood. The interior walls are sheet rock with cypress trim and floating bamboo floors. The kitchen cabinets are wood with corian counter tops. This house sits on concrete columns, above the tree-tops to capture the easterly breezes. The gardens offer many types of vegetables and tropical fruits. The house is very well maintained, it is a Must See!...read more on our website.
