Single Family Home in Eleuthera

Gun Point is one of The Bahamas' most cherished natural treasures. An iconic property which is located on the northern tip of main land North Eleuthera. Gun Point is very unique in its design, as the land runs out to a peninsula with white sand beach on either side of the property. This property is prime to be developed into a one of a kind resort property or a luxury beachfront residential development. Gun Point's geographical location makes it very attractive due to its proximity to neighbouring islands such as Harbour Island and Spanish Wells which has established itself as some of the most valuable real estate in the country. Gun Point is only 200 miles East of Florida which makes it a very convenient trip by boat or plane. Additionally, Gun Point benefits from many key components be...read more on our website.
