

Apartment Complex in Guana Cay

Apartment Complex in Abaco

Set high on approximately one-third of an acre, just one lot back from the stunning Guana beach, this 6-Unit condo development includes four 2b/2b units and two 1b/1b units. Built with solid, poured-block construction, using hurricane-rated doors and windows, and a standing seam aluminum roof. This low-maintenance building produces consistent, year-round rental history; and with a condominium legal framework in place. It can easily be subdivided into individual units for re-sale. Amenities include 10,000-gallon freshwater storage, a water desalination plant, an auxiliary generator, and paved parking spots....read more on our website.
