Lots/Acreage in Abaco

This parcel features 100 feet of elevated pristine sandy beach frontage and iridescent turquoise Sea of Abaco waters. This generous sized elevated frontage parcel of approximately 18,900 sq. ft. features an average depth of 188 feet, ensuring an ample building envelope for the beach residence of your dreams, plus its spacious grounds. The eastern exposure of this property enjoys the cooling sea breezes and glorious sunrises over the Sea of Abaco. All utilities, including electricity, water, telephone, high speed internet access and Cable TV will be available at the road boundary. This prime residential property experienced little damage from recent Hurricane Dorian due to its elevated frontage. Being offered and priced on an "AS IS" basis because some dead trees do need to be removed. We a...read more on our website.
