Single Family Home in Exuma & Exuma Cays

Nestled on 2.616 acres of beachfront property is Sandcastle, the Exuma Cays only fully solar-powered waterfront castle. The home has 5 bedrooms, 3 bathrooms, an open living/dining room and ample room for entertaining both inside and out. The home sits on a private beachfront cove called Little Bay. Sandcastle is built with over 2 million pounds of poured concrete and is meticulously designed to capture the beauty of island living. Each room has its own extraordinary view of the ocean and the terrace roof has a panoramic view of the turquoise sea and is ideal for entertaining or sitting and watching the sunset. The home produces its own electricity with 3.6KW solar panels, 2KW wind turbine and collects its own water supply with a 10,000-gallon water storage system. There is also a backup ge...read more on our website.
