Single Family Home in Eleuthera

Located on Harbour Island, just off the northern tip of the Bahamas' larger Eleuthera Island, the two-story residence perches atop a sand bank, giving it the name House on a Dune, and is designed to make the most of views of the surrounding North Atlantic Ocean. Designed with the land, not on the land, the building becomes a frame for nature's shapes, textures, and spaces that respect and celebrate their surroundings. This inherent beauty and humility come from a profound understanding and deference to the location, and the sensitive engagement with local builders and vernacular materials. Its simple rectangular floor plan places the main living area – including the dining room and lounge – at the center of the top floor. Sliding doors open the space entirely onto the two wooden decks ...read more on our website.
