A great environment to grow a family! This remarkable single-family residence is very well constructed and has withstood many hurricanes. The interior floor plan, designed with the living spaces arranged around a central open atrium (459 sq.ft.), is protected by glass sliding doors and give way to an airy, relaxed ambiance; perfect for meditation/quiet moments while enjoying the flow of fresh air and natural light. All rooms are exceptionally spacious, corridors are wide and storage abound. The kitchen (recently renovated) seamlessly connects to the family room and an enclosed patio which further extends to an open terrace - a fantastic setting for family gatherings. Other interior spaces include the master's ensuite bedroom, three other bedrooms, two full bathrooms, the main entrance foye...read more on our website.
