This expansive 20,000 sq.ft. property is just one lot over from the ocean, separated by only Queens Highway from the beachfront lots. With a two-story structure, you can take full advantage of the stunning view on the west side of the island, with its serene and crystal-clear waters. Club Med is positioned at the opposite end of Bonefish Bay. On this generous plot of land, there's ample space to build your dream home and even include a guest cottage for potential rental income. The airport and town are easily accessible within a few minutes. San Salvador boasts undisturbed beaches on all sides and can be circled in an hour by car. Additionally, it holds significant historical value as it was here that Columbus first landed in 1492....read more on our website.
