Waves lapping on the seashore and the sun glistening on the ocean. This property sits on the beachfront just a few steps away from the sand and the sea. The perfect opportunity for 2 couples or friends to own a vacation home in the Bahamas. The home consists of 2 separate 1 bedroom/1 bathroom units. Each overlooking the oceanfront with covered decks for enjoying the view and dining alfresco. The ground floor level has an outdoor shower. The 2nd floor unit is more spacious and features an open concept kitchen, living and dining room area, all overlooking the ocean. The large 2 car garage has extra storage and houses the equipment for operation of the solar system. This home is off the grid completely. It has a 5500 watt portable generator which runs the entire property. 10,000 gallon cister...read more on our website.
