Here is an amazing investing opportunity to own 2 lots side by side, extending from sea to sea. With over 200ft of ocean frontage on both sides of this property, you can let your imagination run wild with the possibilities. From your own getaway vacation or family home, to a small boutique vacation rental resort to a unique special events area in the beautiful island of Rose island! Only a 15 minute boat ride from New Providence or Paradise island, makes for a short yet scenic commute back and forth. Owner is also willing to lease long term. Contact me for more information on leasing. Don't let this opportunity pass you by....read more on our website.
