This single story cottage is tucked away on a side street in the quiet and peaceful seaside community of Bahama Palm Shores, just a short 5 minute walk to the beautiful 8 mile beach. It is almost move in ready. Partially furnished, it has ceiling fans and central AC throughout for your comfort! Sturdily constructed with a cement exterior in a traditional Abaco style, this little gem just needs some TLC to really make it your own!! Bahama Palm Shores is a short 25 minute drive to the Marsh Harbour Airport and town where you will find well stocked grocery and hardware stores, along with restaurants and other light shopping. This family oriented neighborhood has a nice mix of locals and second home owners making it a very unique community....read more on our website.
