Enjoy this architectural wonder and the virtually indestructible, maintenance free home....

Enjoy this architectural wonder and the virtually indestructible, maintenance free home. Construction of this impressive home started in 2018 with 340 feet of poured concrete sea wall and was recently updated and professionally designed in 2022 with all custom interiors. The expansive windows provides commanding views of the Atlantic Ocean. With almost 2 acres of land, this estate is flourishing with coconut trees and has plenty of room for the aspiring gardener. It is truly a designers home, made ready for entertaining. Step off your wrap around deck to your own private beach and with 340 feet of waterfront you can take a morning swim and snorkel from your back yard and discover some of the most prolific and beautiful reef systems in the Bahama islands. Enjoy the privacy of the north end,...read more on our website.
