This west-facing lot on Sandyport Drive in the gated community of Sandyport offers 4,237 sq. ft. of land and 43 feet of canal frontage to custom-build your dream family home. One of the few lots currently available in Sandyport, this property features beautiful canal vistas and is the perfect location for building a new waterfront home for yourself or your next investment opportunity for an income-producing rental. Sandyport is truly a family-friendly neighborhood perfect for outdoor activities. It has grown into a sought-after gated community where homeowners can enjoy leisurely walks, bike rides, and the outdoors. With seven swimming pools, six tennis courts, two dog parks, and three playgrounds, Sandyport has outdoor facilities for everyone. There is 24-hour security, and the community ...read more on our website.
