Pierre Island offers stunning, elevated 360-degree views of Three Islands Bay, the Atlantic Ocean, Harbour Island, and Eleuthera. The 16 acre Island has native vegetation that includes coconut trees and abundant bird life. Paved pathways weave throughout, leading to a substantial dock on the south side enhancing the accessibility and enjoyment of the island. Electricity is conveniently available by underwater cable to the Eleuthera mainland, ensuring conveniences for development. Just a 15-minute protected boat ride away lies famous Harbour Island, known for its gourmet restaurants, marinas, and boutique shops, making Pierre Island an ideally located gem. This island is an excellent opportunity for developing a small luxury glamping resort or a private retreat, close to the vibrant island ...read more on our website.
