Spinney Dune is a very Special Bahamian Home, located in the quaint and picturesque settlement of Hope Town, Elbow Cay, Abaco. Set on 13,477 Square Feet of Land Between the Atlantic Ocean and the Beautiful Hope Tow Harbor, the Original Loyalist House was reinvented in 2001 when the Owners hired an Architect who understood the importance of maintaining the vernacular architecture that makes Hope Town such a charming and Picturesque Treasure. Built Originally in the late 1800's the New Design kept the original facade, with an imaginative concept that extends the living space into the dune with access to the Ocean side of the house through the second floor. Sit on the front porch, watch the sailboats shuffling in the harbor alongside the famous Candy Striped Lighthouse, and experience some o...read more on our website.
