Reduced Shannon Multi Family Land

Exceptional value! Great for a multi family development.

Wonderful opportunity! This is an exceptional irregularly shaped lot of land, allowing more possibilities for interesting landscaping in income producing multi family development. The land situated in quickly developing and very popular Shannon Subdivision, is conveniently located before the Casuarina bridge in a quiet cull de sac. Property fronts a large linear footage of what is called "green area" where no one can build, therefore your view will virually remain beautiful and green, essentially a park! 10 minutes from town, schools or airport. Motivated owner. Call Ina to make an offer today!...read more on our website.
