Large Single Family Land in Shannon Country Club

Great size lot in developing area

Shannon Golf and Country Club is a quiet subdivision with interior lots as well as direct golf-course lots. This area is growing in popularity as development plans move east. There are several planned developments for this area and property prices will climb as these happen.
If you are looking for a nice family neighborhood to build or invest in, this Grand Bahama property lot is ideally located. The lot is near to Discovery Bay Development on the beach just a few miles away. 10 to 15 minutes from Town, schools and airport....read more on our website.
