

Port of Call

Beautiful Beachfront available for lease or sale

This well constructed townhouse is on the second floor of this beach front complex. Enjoy slipping down to the beach using the convenient beach stairs. Let's not forget entertaining your many guests at your large wet bar conveniently located between the kitchen and the living room. Each bedroom is large and offers its own ensuite bathroom. The 12' ceilings throughout this large townhouse add to the luxuriousness of this condo. Plan to enjoy your amazing views from the spacious lanais on both the main floor and out of the master bedroom suite. The master suite can only be referred to as a your own personal spa. The complex also has an emergency generator...read more on our website.
