

Centrally Located Office for Lease – Partially Furnished

Centrally Located Partially Furnished Office in Premium Building

Prime Commercial Building located on The Mall in the heart of the downtown Freeport. Close to the Supreme Court, Government offices, banks and only minutes from the Freeport International Airport. The building is 70% occupied with prime long term tenants including law firms and financial service companies.

Located on the second floor this office is partially furnished ready to move in. It has a large open office area with two private offices and lunch room with 1 washroom.

Built in 2000, this modern well designed building is ideal for a professional business office.
