Boasting an impressive 215 feet of canal frontage, this expansive multi-family lot in Bahamas Terrace represents one of the best development values in Grand Bahama. The generous water frontage makes it an ideal site for a medium-to-large scale apartment development featuring extensive dockage and panoramic water views.

This property is positioned between two other available canal lots, offering savvy investors the unique chance to acquire all three as a package. Combining these side-by-side parcels would unlock massive development potential and unprecedented water frontage for a premier residential community.

Do not miss the chance to capitalize on this versatile property and the potential for a bundled acqu...read more on our website.
