

Luxurious Multi-Family Oasis on Grand Lucayan Waterway

Discover Island Living in this Multi-Generational Oasis or Retirement Income Property

Introducing an extraordinary opportunity in Colony Bay, Freeport, Grand Bahama - a distinguished multi-family property crafted for multi-generational living or retirement income production. Nestled along the prestigious Grand Lucayan Waterway, this residence offers unparalleled luxury and resilience.

Encompassing an impressive 8,500 sq ft of floor space, with 6,650 sq ft under air, this meticulously designed abode sits atop one of the highest vantage points in the area. Comprising three distinct residences seamlessly integrated under one roof, it stands as a testament to architectural prowess and thoughtful design. Soaring 14' ceilings throughout add an ambiance of grandeur and spaciousness to each unit.

Crafted from solid, reinforced 8" thick concrete and fortified with galvanized steel...read more on our website.
