Newly renovated absolutely unique home on a hill with so much character! It has 3 pyramid roofs, multi-culturally inspired architecture as well as interior invites to enjoy the outside as well as brigs the outdoors inside. It truly stands out. Adjacent lot with fruit trees, nicely landscaped, is also included. Other features are a 2-car garage, a large deck, fully furnished in a desirable and very central location close to the island's best amenities!...read more on our website.
